

Happy Autumn to all of Antioch's Ladies, Nobles, and friends!

Where has the time gone? The months of winter, spring, and summer have all gone by. Our business has contributed to the swiftly passing of the time. As nature prepares for another winter take time to enjoy the beauty...the beauty of the vibrant colors...the beauty of the arrival of cooler days...the beauty of the stillness.

What a whirlwind of a September Antioch had...so many parades! Each one a little different from the next but each one filled with laughter, smiles and pride as our units took the streets to entertain the parade spectators. The ladies had a good time painting our Dayton skyline with a flair of Van Gogh's "Starry Night" and during our ladies gathering, completed 5 more blankets and 9 toy bags for the patients of the hospitals we support. Thank you, ladies, for taking time out to participate in those events.

Please keep an eye out for new noble's ladies and make them feel welcome at Antioch. Introduce yourself and encourage them to participate in our activities. Many new nobles will be created at the **October 14th Fall Ceremonial**. Mark your calendars to **come down to Antioch** and share in this special day!

October is a lighter month but an important one...

Besides the Fall ceremonial mentioned, we have a **haunted hayride** to attend with the YoShi Club on **Sat., October 7th**, a **cookout/bonfire get-to-gather** with new nobles and their families at Tim Carter's farm in Camden, OH on **Sat., October 21st**, "**The Art of Palm Reading**", ladies program, on **Mon., October 30th**, and something you won't want to miss is the **Potentate's Ball** on Saturday, **October 28th** ...a formal Black and White Masked Ball..." The Party of The Century"!

Try to take some time to be still and watch the colors of the season change...Something that is very hard to do in this fast-paced world we live in.

Your First Lady for 2017, Lady Johanna
