

**Ladies, Nobles, and Friends of Antioch,**

**As summer winds down, vacations come to an end, and the units and clubs complete their picnics; autumn ramps up with schools commencing their sessions, and our parade season kicking into full force. As you can see we have a FULL September!**

**August went by quickly as we returned from Imperial, enjoyed our picnics, and our one parade in Englewood. Some of us even took another trip... to Alaska!**

**A giant "Thank you" goes out to the Classic Cars for another fantastic Car Show at Antioch! It takes a lot of coordinating, cooperation, and everyone working together to have an event go so smoothly. The inclusion of our many vendors was successful once again. Thank you to all who participated and shopped!**

**When you get the chance, peek in the basement... improvements keep occurring! Our building manager and his crew have been hard at work hanging cupboards and completing various finishing touches in the kitchen downstairs. It is looking wonderful! It will soon be ready for a party! Hint Hint 😊**

**If you have the time, please make sure you support the upcoming Fish Frys, and help promote the "Jewelry Extravaganza" Fundraiser at the end of the month to add to Antioch's operation budget.**

**See you at the parades!**

**Your First Lady for 2017, Lady Johanna**
