Honoring Veterans: A Tradition of Freedom and Service

On November 11th, Americans pause to observe Veterans Day, a day dedicated to honoring the men and women who have served in the United States Armed Forces. While the holiday may seem like a simple date on the calendar, its history represents more than a century of sacrifice, service, and a commitment to the freedoms we enjoy today.

Veterans Day originated as Armistice Day, commemorating the end of World War I. The armistice between the Allied nations and Germany took effect on November 11, 1918. In 1954, following the service of millions of Americans in World War II and the Korean War, Congress changed the name to Veterans Day so that all American veterans, from every generation, could be honored.

For Freemasons and Shriners, the values represented by Veterans Day are especially meaningful. The history of Freemasonry in America is deeply intertwined with the nation's history. Freemasons were among the Founding Fathers and early leaders of the American Revolution, including George Washington, Benjamin Franklin, Paul Revere, and John Hancock. Masons served in the Continental Army and contributed to the establishment of the new nation.

However, the Masonic connection to American freedom extends well beyond the Revolutionary War. Throughout our nation's history, Freemasons have served in times of war and peace, answering the call to defend their country and communities. From the battlefields of the Civil War and two World Wars to Korea, Vietnam, the Gulf War, Iraq, Afghanistan, and today's Armed Forces, countless Masons have worn the uniform.

Shriners have continued that tradition of service. Although the Shrine is best known for its philanthropy and support of Shriners Children's, the spirit of service that defines our fraternity also has deep roots in supporting veterans, military families, and our communities.

There is a natural connection between the principles of Freemasonry, the mission of the Shrine, and the ideals represented by Veterans Day. Brotherhood, charity, patriotism, and service are not simply words, they are values demonstrated through action.

As Shriners, we have a unique opportunity to keep that tradition alive. Whether we are transporting a patient to Shriners Children's hospital, supporting a fellow Noble, participating in a parade, assisting a veteran, or simply taking the time to thank someone who wore the uniform, we are continuing a legacy that stretches back generations.

This Veterans Day, let us remember that freedom has never been free. It has been protected and preserved by generations of Americans willing to serve and sacrifice. Let us honor those who served before us, those serving today, and those who will answer the call in the future.

To every veteran and active-duty member of our Armed Forces: Thank you for your service, your sacrifice, and your commitment to the freedoms we hold dear.

May we never forget—and may we always be willing to serve.

CERTIFICATE OF APPRECIATION FOR NOBLE JOHN BUZZARD

First thing I need to do is thank a few people and units. A HUGE THANKS to First Lady Stacey Smith, the Antioch Car Club, and the Miami County Shrine Club for donating money so that we could buy jackets and shirts for the drivers. I also need to thank Illustrious Sir Kevin Smith for the Roadrunner pins and name tags

For general information, there are a total of 15 drivers that transport Shrine patients and their Guardian/ Parent. We supply transports to the Shriner's Hospitals in Dayton, Lexington, St Louis, and Chicago. We also take families to the Mexican Consulate in Indianapolis to get a passport so they can return home. Lastly, we sometimes take families on shopping trips and to church if asked. Transports to Chicago and St Louis require an overnight stay.

For September, we made a total of 56 transports, including 4 to the Lexington Shriner's Hospital. Many of these are short runs from the Cincinnati or Dayton Airport to the Ronald McDonald House or Drury Inn. We also bring the families from the Drury Inn to Shriner's Children's Hospital in Dayton, and back. And of course, we take them back to the Cincinnati or Dayton Airport when they are ready to go home.

I've been asked many times what I get paid for driving a Shrine Transport Van. My answer is always, hugs and smiles. It is so rewarding to see the kids getting 'The Most Amazing Care Anywhere'. Bruce Adamson, Hospital Transportation Coordinator

CAR CLUB

By David Stamper, Director

Hello fellow Nobles!! Hello fellow Nobles!! I hope everyone is doing well! I'd like to say a big THANK YOU to those who have come out and supported the Car Club and Antioch this year!

As we all witness the leaves changing colors and feel a bitterness in the air, we know that we are limited on chances to drive our rides before we bed them down for the winter months. Please make sure you take advantage of the nice days and enjoy some time behind the wheel before your storage date! Some awesome festivals going on in our communities, which are always fun to attend. Antioch will still have plenty of events for all of us to attend and support over the coming months.

Make sure you stow away your rides properly to ensure when you wake them out of their slumber in the spring- they are ready to go! A couple of extra measures now can save you a ton of headaches later; A) Make sure you have a dry location and hopefully have a quality cover, B) Give your ride a good wash & wax before storing, C) Make sure fluids are fresh and add some stabilizer to the fuel (let it run for a few minutes to let stabilizer circulate), D) Make sure tires have good pressure in them, and E) Put battery on a trickle charger or routinely starting your vehicle to allow charging.

See everyone down the road!!!!

Here are our upcoming dates:

Car Club Meetings:

Tuesday November 10th, 2026

Tuesday February 9th, 2027

If you are a member of the Antioch Shrine Car Club- come to the meeting and participate! If you're interested in becoming an officer and pitching in, please attend! We meet at the Antioch Shrine Center in Dayton, on the second Tuesday of the second month of each quarter. This means we only meet 4 times per year unless a special is called.

BOBBIE BITS

By: Noble Richard Marker, actually, mostly…

Well, Nobles, another month has come and gone, and the Antioch Bobbies continue to demonstrate why we are known throughout Shrinedom as The Damnedest Unit in the Shrine! Not necessarily for the reasons we would prefer, but recognition is recognition.

With the competitions behind us, you might think things would settle down for the reigning, defending, undisputed Kings of the Motor Corps. You would be wrong. Our newest Bobbie, Bob Mittlestead, wasted absolutely no time establishing himself as a worthy member of this distinguished organization. At the Urbana Hoopla Parade, Bob was the lone representative of the Bobbies. One man, one mission, one opportunity to represent the proud traditions of our unit. And he wrecked. Now, wrecking a minibike is practically a rite of passage in the Bobbies. But Bob, being an innovator, managed to accomplish this feat on his own electric bicycle! According to Bob, he was attempting to avoid something when a delayed throttle response caused his unfortunate encounter with gravity. Apparently, the bicycle was operating on the same delayed-response system used by the Paddy Wagon's maintenance department.

Nevertheless, Bob has now joined the distinguished ranks of Bobbie first-parade crash alumni, including Richard Patterson, Matt McFarland, and Justin "Babs" Barbarino. Most men take years to earn their place among such legends. Bob accomplished it in his first parade. Naturally, Bob was awarded the coveted Klutz Award, despite stiff competition from Bob Wagner and Richard Marker, who managed to collide with one another during the GLSA competitions. Considering the combined years of experience represented by those two gentlemen, that was an impressive accomplishment in its own right. Congratulations, Bob!

Speaking of mechanical excellence, the Paddy Wagon once again demonstrated its commitment to keeping our members humble. At the New Carlisle Heritage of Flight Parade, the Paddy Wagon broke down ***before the parade even started!*** *That's right, folks. We have now reached the point where our equipment doesn't even have to move to become disabled. The latest culprit appears to be the fuel pump, which had previously been installed with wiring connections that could generously be described as "temporary." Shannon Zell made some repairs, but the fuel pump apparently decided it had served long enough and retired on the spot. Plans are underway to replace the fuel pump and filters, clean the carburetor, and address some tire and ramp issues. At this rate, we may soon have enough working parts to participate in an entire parade.*

In other news, the Bobbies held their monthly meeting and accomplished something almost as remarkable as winning another High Point Trophy: We had a quorum! Apparently, half the unit showing up constitutes a successful gathering. We even managed to approve the previous meeting's minutes, although one Noble voted against them. We can only assume he was the only one actually paying attention. There was also discussion about the possibility of coordinating future meetings with the Indy Cars. Nothing has been decided, but the prospect of having two motor units meeting on the same day certainly raises interesting questions about the availability of adult supervision.

On a more serious note, there are several important dates approaching.

The Antioch Ceremonial will be held November 7, with breakfast beginning at 9:00 AM. Our own Charlie Anderson is looking for four or five Bobbies to help with breakfast, and all members are encouraged to attend, welcome the candidates, and promote our unit. This Ceremonial will honor Herb Rider, father of Past Potentate and Bobbie Todd Rider. A tour of the Shriners Children's Hospital is also planned following the Ceremonial.

Looking further ahead, the Bobbies Christmas Party will be held December 19 at 6:00 PM, at American Legion Post 598 on Kentshire Drive in Kettering. Bob Sakal has graciously been given complete authority over the festivities. This is particularly noteworthy considering our past Christmas party history, when last year we sent a new record for the largest bar tab in the history of American Legion Post 598. Our Christmas Party is open for most to attend, please see any Bobbie if you would like tickets.

The Bobbies have also been invited to participate in the Huber Heights Christmas Parade on December 5. Participation will depend on the weather and road conditions. Apparently, there is some concern about exposing our finely tuned machinery to road salt. Given our recent mechanical history, I would be more concerned about exposing it to actual operation.

Finally, congratulations to Gary Strawsburg, who attended the meeting sporting a knee brace. Apparently something happened to his knee… we're just glad he was able to walk into the meeting.

As we head toward the end of another parade season, the Antioch Bobbies continue to prove that it takes more than mechanical failures, unexpected dismounts, and questionable judgment to slow us down. Actually, those things slow us down quite a bit. But they certainly don't stop us from having a good time!

Past Masters

By Jeff Ayers, Director

Brother Past Masters,

As we move into the fall months, I want to take a moment to thank all of our Past Masters for the continued support you provide to our lodges and to our fraternity. The experience and knowledge that our Past Masters bring to the table are valuable resources, especially when a lodge needs a helping hand.

We continue to receive requests from lodges needing assistance with degree work, including Brothers who can help as walkers and in other degree positions. If your lodge needs assistance, please reach out to me. We will do our best to make the necessary arrangements and find Brothers who are willing to help.

I would also like to encourage our newer Past Masters to become active in the Past Masters Club. There are many opportunities to stay involved, meet other Brothers, and continue serving our lodges and the district. Your experience doesn't end when you leave the East-it is an opportunity to continue helping others.

I look forward to seeing everyone at our upcoming meetings and events. Your participation helps keep the Past Masters Club strong and allows us to continue supporting the lodges that need us.

MIDDLETOWN SHRINE CLUB

By Noble Matt Slone, President

Hello Nobles and Ladies from the Middletown Shrine Club!

We have had a productive month with lots of great plans for Thanksgiving and Christmas volunteer opportunities and continuing to grow our members while looking forward to the upcoming Ceremonial on November 7th.

We are going to be supporting a Trunk or Treat at the Octane Outlet on October 31. We love getting out to our community and would love to see a huge Shrine appearance!

We also want to highlight one of our best partners: the Widows Sons Brazen Pillars. They hosted a Ride for the Shrine and raised over $11,000 toward the efforts of the Shriners. We support this and other events of the Widows Sons as our goals align toward doing good, and having fun at the same time.

If you're interested in learning more about the Middletown Shrine Club, come join us at Scotties Tavern on the second Thursday of every month!

MOTOR CORP

By Noble Harlan Knox

Motor Corps Man of the Year, Chuck Marcum

Another parade season is over and what a great season it has been.

Motor Corp not only comes out and parades with the Motorcycle Unit, we support the Shrine with drivers for a variety of vehicles necessary for the parade. Ensure vehicle maintenance is done on Parade vehicles as well as Hospital Vans and other equipment. We assist the Provost when needed.

One of our goals is to get Snoopy's Doghouse up and running for next season.

I am proud to be a Shriner and especially a member of the Motor Corp. We are the catch all unit for the Potentate and may not receive recognition for all we do, but thanks to our devoted members we always do our best.

We had a review of 2025 event and found $3,449 in unused contributions. So I feel we have enough contributed so far this year to cover our expenses with no problem. Thank you again for all that have contributed over the past 4 years and this year. I hope to provide a little extra for those first responders that stop in this year.

Now my Lady Tammy and I can not man this event alone. We need your physical and time help. Needed times will be Christmas even starting at 1:00pm to setup and start preparing dinner @ 5:00pm. We will be delivering dinner that night to Shriners Hospital, so a couple people to make that delivery. Christmas Morning starting at 3:00am to start preparing breakfast @ 5:00am. Then right after preparing for the main Christmas dinner @ 11:00am. Will need couple people to deliver to Shriners Hospital this day, too. Always great to have a few to help out overnight and start Cleanup after 6:00pm Christmas Day.

Please email me at bbaughman@ameritech.net or text me at (937) 414-0360 to pick your time to help. Just 1 to 2 hours is requested. Thanks again for helping make this event what it is.
